Date of Issue: September 09, 2026

Dear sugun rana,

We are pleased to extend to you this formal offer for an Internship position as **Virtual AI Innovation Intern** at **YuvaIntern**. We were impressed with your background, skills and enthusiasm, and we believe you will be a valuable addition to our team.

Internship Details

Start Date : July 09, 2026
End Date : August 09, 2026
Duration : 4 weeks
Location : Remote

Key Responsibilities:

As a **Virtual AI Innovation Intern** intern, you will work on tasks and projects related to This virtual internship role is designed for students new to the field and is centered around the concepts from the Artificial Intelligence Course. As a Virtual AI Innovation Intern, you will support in the development, testing, and documentation of AI-based solutions for simulated business challenges. Working under the guidance of experienced mentors, you will learn to apply machine learning techniques and data analysis, assist in the evaluation of model performance, and contribute to brainstorming sessions for process improvements. This role provides a hands-on experience that builds foundational skills in artificial intelligence while offering a guided, supportive environment ideal for beginners..

Benefits & Learning Opportunities:

Throughout the duration of your internship, you will have the opportunity to:

- Develop practical skills in [relevant skills/tools].
- Gain hands on experience in [specific tasks/projects].

As part of joining our team, you may be required to sign a confidentiality or non-disclosure agreement. You are also expected to comply with all applicable company policies and regulations, which will be provided to you upon commencement.

We look forward to welcoming you to the team.
